Criterion 6. Educational Services

Demonstrate that the project will not cause an unreasonable burden on the ability of local governments to provide educational services.

a) If the project is residential or involves the creation of jobs, estimate how many school age children will likely result from the project and how that figure was determined.

b) Demonstrate whether the local schools have the capacity to accommodate the additional students listed under a). Include estimates of student capacity at local schools, a letter from the school district, etc. or submit a completed and signed School Impact Questionnaire.

c) If the local schools do not have the capacity to accommodate the additional students, indicate what mitigation measures can be utilized to offset any unreasonable burdens on the local schools created by the project. (Include impact fees to be paid by the project, phasing schedules, plans for a school addition, etc.)

Criterion 7. Municipal Services

Demonstrate that the project will not cause an unreasonable burden on the ability of local governments to provide municipal or governmental services.

a) Check off which municipal services will be required by the project:

|--|--|---|
| <input type="checkbox"/> Police | <input type="checkbox"/> Fire Protection | <input type="checkbox"/> Solid Waste Disposal |
| <input type="checkbox"/> Water Supply | <input type="checkbox"/> Sewage Disposal | <input type="checkbox"/> Road Maintenance |
| <input type="checkbox"/> Rescue Services | | |

b) Attach letters from representatives of any of the services checked in section a) above indicating that the services can be provided by the municipality and that an undue burden will not result or submit a completed and signed Municipal Impact Questionnaire.

Criterion 10. Local and Regional Plans

Demonstrate that the project conforms to the municipal plan and regional plan.

Is there a duly adopted town plan?

No

Yes

If Yes, explain how the project conforms to that plan with regard to land use, goals and objectives, and comments from local authorities.

Evidence of plan conformance can include a copy of the plan's land use map and relevant sections of the plan regarding appropriate land uses or building densities.

A letter from the planning commission or town planner may be relevant evidence but is generally not sufficient on its own.
