The bid documents are scheduled to be posted on February 28th for the construction. The Town is still waiting for both deeds to be returned on the 4 Conant Square property and they have been warned again for condemnation. Mr. Atherton received documents from their attorney today and this should enable this item to be closed out. Mr. Atherton provided the Board an update from Markowski's on the Overflow Culvert project. The temporary easement deeds and waiver valuations have been drafted and sent to VTrans for review for the Churchill Road Bridge. The Town has received the signed MOA from Federal Lands Access for the grant that will fund this project. There were six properties that went to tax sale and the Town was the highest bidder on two of the properties. The Town has collected \$107,000.00 in delinquent property taxes this year from previous years. The Town Reports were sent out on February 22nd. The Public Works Department has been spreading gravel on the dirt

roads this week to try to combat the frost and warm weather. The Brandon Rec is collaborating with the Brandon Area Toy Project to have a 4-day carnival June 8th through June 11th. Miller Amusements, a family run business from New Hampshire, will be bringing their games and rides for set-up at Estabrook Park. Events surrounding this event will include a trail race for kids, bingo, battle of the bands and other activities. Floor hockey with Doucette/Kerins of the Brandon Motor Lodge will be starting up again on March 4th and will be every Saturday through April 8th from 9:30AM to 10:30AM at the Neshobe School gym. Motion by Seth Hopkins/Tracy Wyman to set the Select Board's Brandon Land Use Ordinance (BLUO) hearing dates for March 27, 2017 and April 10, 2017 prior to the regular Select Board meetings at 6:30PM in the lower level of the Town Hall. **The motion passed unanimously.**

8. Route 7 Centerline Rumble Strip

Dave Atherton stated after the last bad car accident near Otter Valley, Bernie Carr contacted him requesting rumble strips be added to that area. Mr. Atherton has had a conversation with VTrans. John Haverstock, Town Manager of Pittsford, has also sent a letter to VTrans with the same concern. Mr. Atherton suggested the Select Board send a letter to VTrans requesting the same, as the more groups contacting VTrans about this issue the more likely it will be considered. The State subcontracts the machine to do this. Mr. Atherton stated it is worth the Town continuously pushing to get this done due to the number of accidents in that area. Mr. Atherton stated a letter could be drafted for the Board's signature and the Board agreed. Mr. Atherton suggested this could possibly be done this summer if approved by VTrans. Mr. Atherton also suggested the Chamber of Commerce provide a letter of support to be submitted with the Select Board's letter. Bernie Carr talked to Representative Carr concerning this issue and was advised that VTrans has indicated this request has to come from the municipalities involved.

9. Prudential Spirit of Community Awards

Dave Atherton stated the Town received notification that Maria Wiles was recognized as one of the top youth volunteers in Vermont with the Prudential Spirit of Community Award. The letter suggested the Town recognize Ms. Wiles in some way.

Seth Hopkins would like to congratulate Ms. Wiles on behalf of the Select Board for the unsung volunteer work and suggested Ms. Wiles do a speaking tour of the elementary schools to talk about how students can give back to their communities. Bernie Carr suggested announcing the honor at the Town Meeting when the Girl Scouts are mentioned. Mr. Hopkins requested the Town Manager invite Ms. Wiles to the Town Meeting for recognition.

Town of Brandon Fund Balance Policy

The purpose of this policy is to set parameters on the town's unrestricted reserve fund balance. Responsible stewardship of the taxpayers' money, and adequate provision for future needs of the town, both foreseen and unforeseen, require the town to maintain a positive fund balance. The fund balance may be used by the Select Board for any purpose not in conflict with Vermont or federal statute.

The Select Board finds that a desirable amount for the town's unrestricted reserve fund balance is not less than 15% nor more than 25% of the town's then-current annual operating budget. [FOR DISCUSSION: On our \$3M budget, the 15% floor would be \$450,000 and the 25% ceiling would be \$750,000.]

Therefore, the Select Board directs that:

- 1 When the town's fund balance exceeds 25% of its annual operating budget, the difference will be returned to the taxpayers by reducing the amount to be raised by taxes in the next proposed budget. Such action will be made transparent by the inclusion of a separate line item in the budget so stating.
- 2 When the fund balance falls below 15%, the Select Board should ask the town to raise the difference with a line item in its next proposed budget or an appropriation request on the next annual or special town meeting warrant.
- 3 A statement of the town's unrestricted reserve fund balance will be prepared by the town treasurer and included in the annual town report.

Adopted by the Select Board, March 27, 2017:

Doug Bailey

Brian Coolidge

Devon Fuller

Seth Hopkins

Tracy Wyman
