One or more members may participate and vote at a meeting by electronic means (e.g., speaker phone, Skype, etc.) as long as those members identify themselves when the meeting is convened, and are able to hear and be heard throughout the meeting. 1 V.S.A. § 312(a)(2).

A quorum or more members of a public body may also participate in a meeting electronically. The agenda for such meeting must designate at least one physical location where a member of the public can attend and participate in the meeting. At least one member of the body or at least one staff person or other designee must be present at that physical location. Each member who attends electronically must identify himself or herself when the meeting is convened and must be able to hear and be heard throughout the meeting. Any voting that occurs at the meeting that is not unanimous must be done by roll call. 1 V.S.A. § 312(a)(2)(C).
