

The Town of Brandon is working with the Brandon Food Shelf to assist in preparation for a possible COVID-19 outbreak in our area.

We want to be able to provide food for the elderly and vulnerable population and are looking for donations of the following:

- Canned Soup, specifically Chicken Noodle, Tomato and Vegetable
- Crackers
- Peanut Butter
- Canned Tuna
- Mayonnaise
- Pasta and Sauce
- Canned Chili
- Canned Meat
- Toilet Paper

We will be setting up drop boxes for donations outside of the Brandon Town Hall and Town Office during business hours (8:30 a.m. to 4:00 p.m.)

To eliminate any spread of disease food will be distributed by delivery only. There will not be a pick-up center.

**To set up a delivery please contact Kathy Mathis at 247-6720 or 247-3121 or by email at [katmathis@gmail.com](mailto:katmathis@gmail.com) or the Town of Brandon at 247-3635.**

**Sincerely,  
David Atherton, Town Manager/EMD**
