1. Call to Order

The meeting was called to order at 8:25PM by Seth Hopkins - Chair.

a. Agenda Adoption

Motion by Tracy Wyman/Brian Coolidge to approve the agenda. **The motion passed unanimously.**

Brent Buehler had asked the Zoning Administrator about the deck above the Ripton Mountain distillery and whether they were required to have a permit for the deck and whether they were required to apply to serve alcohol outside. Seth Hopkins did not recall an outside consumption license. Dave Atherton advised they had a zoning permit for the deck. It was originally written as a loading dock and he believes the Zoning Administrator has done a corrected permit as there was an error in the permit. Mr. Hopkins asked the Town Manager to check with the Town Clerk regarding the outside consumption permit.
