Trustees of Public Funds

Meeting start time: 9:00am

Attendance: Laura Miner, Tanner Romano, Courtney Satz

The Trustees of Public Funds discussed the most recent funding request submitted by Sue Gage on behalf of the Town of Brandon in the amount of \$14,033 for mosquito control.

The group discussed the particular challenge with this annual request and how it remains an unquantifiable scope with limited measurable outcomes. A concern was raised regarding the limited financial information available with regard to the BLSG budget and although the TOPF has made previous attempts to understand the BLSG funding and operating statements, there are still unknown variables about the specific allocation of these particular (donated) funds.

A motion was made to approve the 2021 funding request under the caveat that future requests from the Town of Brandon (on behalf of the BLSG) include detailed information with a budget breakdown specific to the Brandon area. A second motion was made that future funding requests also include a reasonable attempt to exploring potential alternatives to pesticides.

The group voted unanimously to approve both motions for 2022 funding.

Meeting adjourned 9:27am.
