

Brandon Draft LHMP Update

A draft of the first half of the Brandon Local Hazard Mitigation Plan (LHMP), which includes an Introduction, Purpose, Community Profile, and Hazard Identification and Risk Assessment, is ready for public review. A brief overview of the work to date was provided at the August 22, 2022 Brandon Selectboard meeting. Copies of the plan are available here as well as at the Brandon Town Office.

At the September 12, 2022 Brandon Selectboard meeting, the draft plan will be discussed and there will be an opportunity to share public comments. In addition, comments on the draft plan can be submitted to Dave Atherton, Brandon Town Manager, by email until September 12, 2022 –
