1. Call to Order

a. Agenda Adoption

Motion by Tim Guiles/Heather Nelson to approve the agenda. The motion passed unanimously.

2. Public Comment and Participation

It was questioned what is being approved. Tim Guiles advised the Cannabis Commission is similar to the Liquor Commission and the reason for the commissions are if anything does happen locally, the Select Board could slow things up and cause the establishments to go to the State. If there is nothing wrong, the local Commission approves the licenses. Mr. Guiles noted for these applications, he is looking for any word from the community that something might be wrong and at that point he would cause this Commission to slow down the process and question it. The Select Board does not have the ability to stop things but can send things to the State in an efficient manner. Seth Hopkins noted that the cannabis applications are different from the liquor applications in that the State has already approved the licenses when they come before the local Commission and if the approval is not received by the State within 45 days, it is deemed approved.

3. Approve of Minutes

a) Local Cannabis Control Commissioners Minutes – January 22, 2024

Motion by Heather Nelson/Brian Coolidge to approve the Local Cannabis Control Commissioners meeting minutes of January 22, 2024. The motion passed with one abstention – Ralph Ethier.

Motion by Tim Guiles/Heather Nelson to take agenda items 4 through 6 as a consent agenda. The motion passed unanimously.

c) Approve License Application #S-000007534 Outdoor Cultivator Tier 3 for Blondie’s Bud Company

Motion by Brian Coolidge/Heather Nelson to approve the consent agenda. The motion passed unanimously.
