

2024 June 3 BRAVO Advisory Committee Minutes

Meeting began 7:10 PM

Members present:

Mitch Pearl

Paula Ashley

Debbie Boyce

Erin Kilpeck, Prospective member

Paula to take notes as Claire is absent

Motion made and seconded and agenda approved.

Motion made and seconded and minutes from 4/1/24 and 5/6/24 approved.

Projects for 2024--Plans for gathering of panel members not on Advisory Board were updated:

Panel members input for date of gathering, choosing the speakers (maybe include the Chief of Police).

Food for gathering. Details to determine later.

Carnival: Brandon carnival to be held July 27-30. Mitch will contact Claire to see if she is willing to coordinate the carnival for BRAVO again this year and discuss any help she might need.

Regarding interaction with Rutland Restorative Justice, Eve, from Rutland contacted Mitch to say she is interested in having more panel members from Brandon work with the Rutland group. It is felt that this will benefit both Rutland and Brandon. Mitch will forward information to all qualified panelists

Plans are that we will continue to work with Neshobe School to see if we can be of assistance. We will see what we can do when school starts in September. Will update at next meeting to plan contacts.

Also Otter Valley School has reached out to us for assistance, but they indicate that they need more time to discuss among themselves how this will work. They are particularly interested in some prevention of behavior that results in problems. Deb will be the contact person for this work with Otter Valley. She will let us know what their plans are. This will most likely be in the fall after school begins next school year.

No new cases

Mitch noted that there were updates to the VT Open meeting Law that will affect all town committees. He will clarify details and update us later

No further new or old business. Motion made to adjourn, seconded. The meeting adjourned 8:00 pm

Next meeting Monday 8/5. No meeting in July.
