Town of Brandon—Shirley Farr Fund: "In her last will and testament, duly proved and allowed by the Probate Court for the District of Rutland, the late Shirley Farr made the following beguest to the Town of Brandon, viz: "Article Twelfth: (f): Two-twentieths (2/20ths) thereof to the said Town of Brandon, Vermont, to be used by it primarily for proper sewage disposal, drainage of swamps and other sanitary improvements and any amounts not needed and expended for such purposes shall be used for spraying trees or in the general improvement of the village in ways not sufficiently provided for by taxation." —Hanford G. Davis, 9 February 1960.

The 2020 Trustees of Public Funds have updated and interpreted these wishes as they translate to today's standards and have outlined the following criteria upon which all award decisions will be made

All funding requests for the Town of Brandon will be awarded for projects and improvements as they relate to:
⊼ Sanitary Improvements
□ Wetland and water management
☐ Improvement of the village in ways not sufficiently provided by taxation
